

55840 / 55841 / 55846 Ink Refill Set for Pica Ink & Pica Big Ink ●●●

The Pica Ink and Big Ink are ink-based, permanent deep hole markers that are essential in the everyday work of many craftsmen. To significantly extend the lifespan of our ink-based markers and thus increase the sustainability of these products, we are now introducing a refill set for these two products.

- Glass ink bottle with 25 ml capacity for 15 refills and more
- Available in red, blue and black
- Easy refill for sustainable use
- Precise dosage is possible with the convenient pipette and minimises the risk of overfilling
- Also contains two replacement nibs (Pica Ink) for long-lasting marker use

NEW

55840 ● 55841 ● 55846 ●

Ink bottle with 25 ml content
Pipette for correct dosing
2x replacement wicks for Pica-Ink

Important: White refill ink is not available due to its special composition

Caution: Risk of overfilling the marker!
